

FROM THE DESK OF

Santa Claus

Mr. Kris Kringle
1225 Candy Cane Lane
The North Pole

Dear _____,

Can you believe it is almost Christmas Day? The elves have been so busy helping me at The North Pole all year long. Soon, I will be hitching up Rudolph and all my reindeer to deliver toys to all the girls and boys all over the world. I hear you have been doing your very best this year and trying your hardest to be kind and do what you're supposed to! I do see that you are on the nice list! (I have checked it twice, you know.) You keep up the good work, and I have a feeling you will have a wonderful surprise on Christmas morning.

If you can, please leave some cookies and milk for me and a carrot for my reindeer on Christmas Eve.

Sincerely,

Santa Claus
